### WINTER GARDEN FOOD TOURS

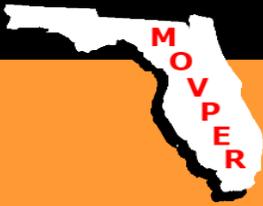

Historic and hip, downtown Winter Garden honors the city's rich past while embracing the future. From Historic Main street to the new Plant Street Market Winter Garden has something for everyone.

These two-hour walking food tours will discuss the evolution of the area's historic district while stopping at a number of establishments to enjoy a variety of food and drink.

\* All tours are wheel chair accessible.

### WHAT IS A FOOD TOUR?

A food tour is where people gather to be a part of a tasting experience. It provides an opportunity for people to sample sweet and savory food items from multiple restaurant and bakery stops along a walking route. A tour can take a few hours or it can last several hours. It's also a place to meet people and share food experiences with like-minded folks. To sum it up, there's a meeting location, introductions, sampling of food along a walking route, reminiscing about the fun just had and the tour ends.
